

## REMARKS

In the above-identified Office Action it was acknowledged the Claims 30, 62, 68, and 69, would be allowed if amended so as not to depend from a rejected claim. By this Amendment each of those claims has been so-amended to independent form, including all of the limitations of the claims from which they originally depended.

Accordingly, it is respectfully submitted that independent Claims 30, 62, 68, and 69, are allowable along with all of the other claims in this application which depend directly or indirectly from those independent claims.

This is to acknowledge also that the claims were rejected on the basis of double patenting. In response, Applicants will file an appropriate Terminal Disclaimer in the near future.

For these reasons the issuance of a Notice of Allowance is solicited.

Applicants' undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,
